# the league format

All of our leagues work in a round robin format with each team playing each other once (subject to a number of teams) followed by play off games for placements and semi finals.

For example in a eight team league at the end of the round robin stage fixtures will be allocated as below:

Semi Final:

1<sup>st</sup> v 4<sup>th</sup>

2<sup>nd</sup> v 3<sup>rd</sup>

Final

Placement Games:

5<sup>th</sup> v 6<sup>th</sup>

7<sup>th</sup> v 8<sup>th</sup>

**Scoring League Points: Nets 7's**

Win – 3 points

Tie – 1 point

Loss – 0 points

## **Alternative Scoring for Nets 6's Mixed**

Each Quarter is worth a point like skins in golf or cricket  
So if Team A scores 17 points to Team B's 15 then team A will receive one point towards the league table. And this will happen for each quarter
